Directions to Brookfield House

From Stockport Town centre

Brookfield House is located on Wellington Road South.

This is the main A6 road which runs through the centre of Stockport.

You can find us almost opposite the Stockport College.

From the College follow A6 towards Hazel Grove.

On your left you will see the BP garage, then the Stockport Masonic Guildhall. If you turn left before the Co-op store, onto Brentnall Street, you will find a large car park on the left, behind the Guildhall. This may be the best parking option available locally.

Walk back to the Co-op store and the Wellington Road South. Stay on this side of the road and continue walking away from the College, towards the traffic lights and Longshut Lane.

Brookfield House is a red brick building with purple front door located just before the traffic lights. On the opposite side of the road you will see Honda dealer.

Public transport

Stockport railway station is only a 5-7 minutes' walk away.

From the Grand Central Bus Station (Stop RR) take one of the following buses: 192, 358 or 383, travelling towards Hazel Grove. Exit the bus at the Brentnall St bus stop. Turn right off the bus, continue walking past the Co-op store, towards the traffic lights. Brookfield House is no more than 2 minutes' walk from the bus stop.
